

Ryedale Table Tennis League

January 2007 Newsletter

A very happy New Year to all!

I hope that you didn't overindulge too much with the mince pies like I did...

This mid-season newsletter contains the draw for the team KO competition, the Bower Trophy. For those players new to RTTL, this is our 'FA Cup' – a chance for lower division teams to give the big boys a nasty shock on the basis that everyone has a handicap. Details of how the handicaps and scoring work can be found on page 2.

I have already steeled myself for the inevitable barrage of complaints that the handicaps are all wrong/unfair/rubbish or worse! It is impossible to get them exactly right, but the committee have done their best, with a special emphasis on giving the lower division players a chance: the top players always cry that they have no chance against a 30+ handicaps but, amazingly, they seem to win the competition every year. Hopefully, this time we have given everyone a chance to win.

The Hutton-le-Hole players who have been a most welcome addition to the Ryedale League this season

The season so far...

I'm sure that just about everyone will agree that the change to three divisions this season has been a great success. There is certainly close competition for the championship in all three divisions and for the averages awards.

In Division One there is a tremendous scrap between local rivals Ryedale A and B, with the B team sneaking a single point ahead. The meeting between them later this month should be a juicy affair.

In Division 2, there are only three points separating the top four in a keen promotion tussle. There should be a good contest to avoid relegation too in this division too.

Scarborians and surprise package Amotherby E are pulling away at the top of the third division, with Westow and newcomers Helmsley C having a fine season too. It's all to play for!

News

- The RTTL Presentation Evening Dinner is on Friday 11th May, 7.30pm, at the Forest & Vale Hotel in Pickering. It has been suggested that there might be some musical entertainment this year and so we are currently looking into finding a group who can play a short session for a reasonable fee. If anyone knows of such a group or individual musician who might be suitable, please get in touch with Social Secretary Jean Wardman (tel 01751 477778)
- Entry forms will shortly be posted for the RTTL Annual Closed Tournament on Sunday 18th March.
- An entry form for the President's Pairs competition is enclosed.

The President's Pairs is a knockout handicap competition for teams of two and is open to any registered RTTL player who has played 3 or more league matches before 1.1.07. Ties consist of four singles and one doubles match, using the same handicaps and scoring system as the Bower Trophy Team Knockout (see Jan 07 newsletter for details).

This is a fun competition, giving players a chance to team up with someone from another team or club, perhaps, and involves a much shorter evening out than league matches. It would be good to get at least 16 pairs this year but the competition will not go ahead if there are less than 8 entries. The closing date for entries is 1st Feb so that we can get an early start and ensure that the competition is finished on time.

Names (main contact fist) Player 1: Player 2:	Home venue	Entry costs £2 per team (cheques payable to RTTL and sent to Andy Seed, with this form, please). The draw and more info will be sent out in early February and be posted on the website www.ryedalett.net
