

The President's Pairs is a knockout handicap competition for teams of two and is open to any registered RTTL player who has played 3 or more league matches before 1.1.08. Ties consist of four singles and one doubles match, using the same handicaps and scoring system as the Bower Trophy Team Knockout (see Jan 08 newsletter or website for details).

This is a fun competition, giving players a chance to team up with someone from another team or club, perhaps, and involves a much shorter evening out than league matches. It would be good to get at least 16 pairs this year but the competition will not go ahead if there are less than 8 entries. The closing date for entries is 1st Feb so that we can get an early start and ensure that the competition is finished on time.

Names (main contact fist) Player 1: Player 2:	Home venue	Entry costs £2 per team (cheques payable to RTTL and sent to Andy Seed, with this form, please). The draw and more info will be sent out in early February and be posted on the website www.ryedalett.net
